OUR PLAN

In order to be equipped for the current and future ministry that God is calling us to, our Countryside facility needs to be updated, classrooms expanded, and debt retired. Expanding classroom space at our current facility will open up multiple ministry opportunities.

Our current building is 36,000 square feet. We are adding a wing of adult and children's classrooms, as well as larger nursery space to meet our current and future needs, which is adding an additional 8,000 square feet. Our current building, grounds and contents, have an estimated value of over \$6,000,000.

We plan to add the addition plus repair many current areas in need of improvement (outdated fire sprinklers, retire existing debt.)

New Addition Update

We're coming into the final stages of the project and we anticipate it will be open and operational before Easter!

Walls are built -- Windows are in -- Painting is happening and flooring will be next.

*Reach out with
compassion to help
people become fully
devoted followers of
Jesus Christ.*

Countryside Church is not only committed to reaching people but to help them grow in their relationship with Christ. Currently, we need more classrooms as each of our classrooms are completely full Monday through Fridays. On Sundays, classrooms fill up with sometimes as many as 200 CountrysideKids during morning services. On Wednesday nights, our classrooms become home for some of the most influential teaching opportunities for Countryside Youth.

Our church offers numerous groups that meet here at the church, as well as such classes as Fresh Faith, Engage, Baptism, and the Connect Event several times a year. Our building is consistently used by outside groups like Community Bible Study as well. We offer numerous Bible classes, marriage classes, and financial learning classes.

One of the most powerful life-changing ministries that meets upstairs every Friday night, Celebrate Recovery, utilizes the classrooms in large and small group settings to help people recover from hurts, habits, and hangups. CR is active during the week as well with step-studies on different nights.

The completion of more classroom space creates needed opportunities for more groups to meet, more new people to meet others, more believers to grow their faith, and more of God's people to experience a community that is warm and inviting.

THE VOYAGE CONTINUES

TRUST IN THE LORD WITH ALL YOUR HEART, LEAN NOT ON YOUR OWN UNDERSTANDING, IN ALL YOUR WAYS ACKNOWLEDGE HIM AND HE WILL MAKE YOUR PATH STRAIGHT. -- PROVERBS 3:5-6

In October of 2016, Countryside began a process to receive financial commitments from regular attenders. These are being collected over a 3-year period, over-and-above regular tithing, in order to add a classroom wing, complete building upgrades to the existing building, and retire debt.

Our church stands at the threshold of a large new challenge. We are encouraging each person to prayerfully seek God's will in your own life, and inviting you to pledge to raise the funds needed in this journey. So far, we have raised \$1.13 million towards our goal of \$1.5 - 1.9 million. If you are giving, thank you for your generosity. If you are new and just learning about the Voyage Initiative, we enclosed a commitment card to prayerfully consider filling out and returning.

To those who have completed your commitment, you have helped set the foundation for this initiative to be where it is today. If you would like to make another commitment, feel free to fill out another card. **We're trusting that God will meet the goal of at least \$1.5 million to pay for the new building, upgrades to the existing building, and retire debt.**
