## STAND UP - WEEK 4

## TALK IT OVER

### How to use Talk It Over:

Talking through the message during the week helps you and your group, or pod, or family turn what God is saying to you into action steps. Begin by discussing key questions, read the Scriptures together, and then wrap up by deciding on your next steps, and your follow up study plan.

### Main Idea for this week:

When you follow God's ways, you can trust Him with the results.

### Choose 2 of these questions to get started:

- Is there a place in your life where you need to stand strong in God's ways?
- Share a time when you did the right thing even though it was difficult.  
What resulted from your obedience to God?

### Key Questions:

- In the message this week, Pastor Mark noted, "We can live with Integrity, even when the world shows the opposite." Have you experienced this personally?
- Read and discuss Daniel 6:1-23.
- Read Daniel 6:10 aloud. What phrases stick out to you? How do those phrases encourage you to have a more consistent prayer life?
- How would you describe the current state of your prayer life? What's going well and what might need improvement?
- How have you seen the power of prayer give you the strength to stand strong?
- What qualities in Daniel do you admire most?

### Next Steps:

- What steps will you take this week to stand strong?  
Find another believer to pray for you about this situation.
